### Disclaimer:

A compliance history is in no way a rating for a facility.

The online compliance history includes only information after July 1, 2003. In addition, the online compliance history includes information regarding adverse actions that may be the subject of a pending appeal. An adverse action is not final until a provider has exhausted or waived all due process rights. For compliance history prior to July 1, 2003, or information regarding the status of pending adverse actions, please contact the Licensing Inspector listed in the facility's information. The Virginia Department of Social Services (VDSS) is not responsible for any errors in or omissions from the compliance history information.

**Virginia Quality** is a voluntary quality rating and improvement system for early care and education facilities serving children ages birth through pre-K. To find programs participating in Virginia Quality, [click here](#).
